Message

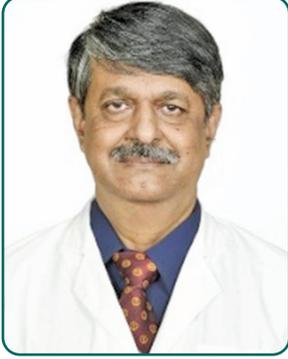

I am immensely elated knowing that Green Life Medical College brings out the Yearbook 2023. It is truly a commendable effort of the college to portray its extensive activities encompassing the whole Academic year.

Medical education has been upgraded in the last few decades. This up-gradation occurred in the scientific methods of teaching and assessment. The disease pattern has been changed in order to demographic changes and ecological changes. The art of communication between care giver and the care taker has been eroded to a significant level. It is the whole-hearted effort of this institute to implant the values and morals to the naïve minds of undergraduate medical students. The students of this institute work hard and achieve a great success and contribute to the health sector in home and abroad. Along with the academic activities we also try to involve our students in different social and cultural activities, various competitions through which they experience how to plan, organize and work hard together to achieve certain goals. Our faculties are involved in ongoing academic and research activities, trainings and workshops in order to improve their qualities and skills continually.

I convey my heartfelt gratitude to the Principal and all the faculty members of Green Life Medical College for being the true inspiration and motivation for students and staffs throughout the year. I express my sincere thanks to the Annual Report Committee for their utmost efforts. I implore the blessings of Almighty on all the members of Green Life Medical College.

National Professor Dr. Shahla Khatun

MBBS, FCPS (Bangladesh & Pakistan),
MRCOG (London), FRCOG (London), FICS
Chairman of Governing Body
Green Life Medical College, Dhaka

**Principal
&
Head, Department of Surgery**
Green Life Medical College, Dhaka

A Reflection of Excellence

I am delighted to present our Yearbook, a reflection of excellence that encapsulates our activities, thoughts, endeavors and cherish memories from the preceding year. This Yearbook represents the spirit of our institution, inspiring our students, faculties and staffs to strive for excellence.

Green Life Medical College has always been committed to provide quality education to its students, preparing them to become the next generation of medical pioneers. I am proud to say that we have had a successful year with regular classes, exams and extracurricular activities. Our students and teachers have excelled in both academic and non-academic fields. We have established various committees that work tirelessly to enhance the quality of education and training for our faculties, students and interns.

I extend my heartfelt appreciation to the faculties and staffs whose hard work and dedication have contributed to our success. I am also equally grateful to the members of the Governing Body, who have consistently supported our initiatives and generously provided guidance.

Looking towards the future, I am confident that Green Life Medical College will continue to soar to new heights.

Lastly, I extend my sincere gratitude to The Annual Report Committee for their unwavering commitment to consistent publication.

With warm regards,

Professor Dr. A.B.M. Bayezid Hossain

MBBS, FCPS (Surgery)

Principal, Green Life Medical College

and

Head, Department of Surgery, GLMC

Chairman
Green Life Medical College, Dhaka

Message

A Year of Excellence

As the Chairman of Green Life Hospital, it is my honor to address the bright minds that have graced our institution in the year 2023. The year 2023 was a remarkable year for Green Life Hospital, thanks to the efforts of our dedicated team of doctors, nurses, and staffs. They worked tirelessly to ensure that our patients received the best possible care.

I am proud to say that Green Life Medical College has been an integral part of our journey since its inception in 2009. The college has been committed to provide high-quality medical education to students from all backgrounds. The college has developed a reputation for excellence in medical education and research, and I am confident that it will continue to be a leader in the field.

I would like to take this opportunity to congratulate the students of Green Life Medical College on their achievements. Your hard work and dedication have paid off, and you should be proud of your accomplishments. May you continue to shine brightly, illuminate lives, and make a difference in the world.

I would also like to express my gratitude to the faculties and staffs of the college for their tireless efforts in shaping the future of healthcare. As we look to the future, I am confident that Green Life Medical College will continue to be a beacon of hope for those seeking quality medical education.

Best wishes,

Professor Dr. Shamsuddin Ahmed
MBBS, FCPS (Pak), FCPS (Bangladesh), FRCS (Glasgow),

Message

A Pursuit of Excellence

I am thankful to Almighty for giving me the opportunity to write this message.

I would like to thank you all for contributing in another successful year of our Green Life Medical College and Hospital. Our institution wouldn't be as successful as it is today without all of you.

On looking back to the year 2023, I am filled with immense pride and gratitude for the journey we all have taken together.

Green Life Medical College and Hospital has been a set up as a light of excellence, compassion and steady commitment to healthcare and education and we believe that getting the opportunity to improve the health of the population of the country is a great gift for us.

I would like to thank our dedicated faculty members, who tirelessly impart knowledge and offer guidance to our future doctors. Your passion and dedication inspire our students to reach greater heights.

Our brilliant students are the heartbeat of our institution. Your thirst for knowledge, empathy, and determination have made us proud. As you step into the world as healers, remember that you are carrying the torch of healing and hope for lives.

Our administrative and support staffs are working tirelessly behind the scenes for maintaining facilities to ensure smooth operation. Your contributions are invaluable and for that we are deeply grateful.

I would like to extend my gratitude to our Chairman, Governing Body, National Professor Shahla Khatun Madam, for her visionary leadership and guidance which has given our institution much success and growth.

Finally, I would like to thank our patients and their families for their faith on our healthcare system. We are committed to provide you compassionate care and outstanding medical services.

As we are turning the page to the next chapter, let's continue our pursuit of excellence, innovation and service together with a commitment and hope to create a healthier and brighter future for all.

With warm regards,

Dr. Md. Mainul Ahasan
Managing Director &
Member, Governing Body

Message

A Journey of Learning and Growth

This year has been filled with challenges and triumphs. We have navigated through unprecedented times and adapted to new ways of learning and teaching, and yet, we have emerged stronger and more resilient. Our commitment to excellence in medical education and patient care has never wavered and I am incredibly proud of the dedication and hard work each one of you has demonstrated.

Our students continue to inspire us with their passion for learning, their commitment to serve the community and their unwavering dedication to become the best healthcare professionals they can be. Your achievements in academics, research, and community service are a testament to your potential and a source of pride for our institution.

To our esteemed faculties and staffs, your tireless efforts to provide our students with a world-class education, your dedication to advancing medical knowledge through research and your commitment to patient care have been nothing short of extraordinary. You are the backbone of our institution and I am grateful for your contributions.

As we look ahead to 2024, let us continue to strive for excellence, uphold our values of integrity, compassion, and professionalism and work together to make Green Life Medical College a beacon of medical education and patient care.

I want to take a moment to reflect on our journey together at Green Life Medical College.

Thank you for your continued dedication and commitment.

Warm Regards,

Professor Dr. Abu Shafi Ahmed Amin
MBBS, DLO
Director
Medical College Affairs
Green Life Medical College, Dhaka

Brief History **of** **Green Life Medical College**

Green Life Medical College (GLMC) is a prestigious institution that offers quality medical education in Bangladesh. Its journey began with the vision to serve humanity through quality medical education and it continues to evolve as a center for learning and development. The college commences its activities with the enrollment of 51 students in the 1st batch in 2010. At present we are enrolling 120 students each year. Among them, the number of seats allocated for overseas students are 20.

Affiliations:

The College is approved by the Ministry of Health and Family Welfare (MHFW), Government of Bangladesh. The Degree is recognized by Bangladesh Medical and Dental Council (BMDC). It is affiliated with the University of Dhaka.

The Bangladesh College of Physicians and Surgeons (BCPS) accredits the Post-graduation Honorary Training. It is enlisted in the World Directory of Medical School and the Educational Commission of Foreign Medical Graduates (ECFMG).

The Avicenna Directory, the World Federation for Medical Education (WFME) and the Foundation for Advancement of International Medical Education and Research (FAIMER) also list the college.

Academic Building:

The Medical College and the Hospital complexes are two multistoried fully air-conditioned buildings with an arrangement of approximately 500 beds for patients. The building is equipped with state-of-the-art infrastructure, excellent with an out-patient department and adequate in-patient facilities. The medical college has 200 decimal lands in Purbachal new city for further expansion.

The Academic Building is a 15-storied building that covers 1,65,379 square feet of floor space. It has been running its academic activities since January 2018, before that period all the academic activities were carried out in the hospital building.

All departments have qualified and sufficient teachers, as well as spacious facilities such as 05 lecture galleries with multimedia, overhead projector, and sound system facilities, 18 tutorial classrooms including multimedia tutorial room, dissection halls, museums, laboratories, teaching OT and a library with internet access.

Academic Faculty Members

The academic staff consists of 116 full-time members who are distinguished in their fields of teaching and research. The college is headed by National Professor Dr. Shahla Khatun as the Chairman and Professor Dr. A.B.M. Bayezid Hossain as the Principal.

Medical Education Unit (MEU)

Medical Education Unit (MEU) conducts different CME and workshop to upgrade the faculty members. The committee is chaired by Prof. Dr. Salma Rouf and Dr. Tanim Sharmin is the member secretary.

Till date regular monthly CME has been conducted on 1st Saturday of every month to develop the education and teaching skill of the faculty members.

List of MEU Presentation

Date	Topic	Presenters
07.01.2023	Models of learning communication skill	Dr. Tanjina Hossain Associate Professor and Head, Dept. of Endocrinology and Metabolism
04.02.2023	Preparing students for professionalism- Role of a medical teacher	Dr. Suparna Bhowmik Assistant Professor Dept. of Physiology
04.03.2023	Modified easy question / structured essay question	Dr. Samia Shihab Uddin Assistant Professor Dept. of Surgery
06.05.2023	Blue printing for assessment and curriculum	Prof. Dr. Salma Rouf Professor & Head Dept. of Obstetrics and Gynaecology
03.06.2023	Conduction of effective integrated teaching learning session	Dr. Zeenatul Momena Assistant Professor Dept. of Anatomy
08.07.2023	Psychological adaptabilities of undergraduate students	Dr. Mst Aklima Akther Seema Registrar Dept. of Psychiatry
05.08.2023	Planning, preparing, and structuring small group teaching	Dr. Md. Rezaul Karim Dewan Professor & Head, Dept. of Pathology
02.09.2023	Clinical teaching for effective transfer of skill	Prof. Dr. Sk. Abdul Fattah Professor & Head, Dept. of Medicine
07.10.2023	Construction of effective SBA for exploring deep learning	Dr. Kazi Yesmin Associate Professor Dept. of Microbiology
21.10.2023	A brief presentation on the New curriculum of Phase- II	Dr. Shanaz Azmere Lecturer Dept. of Forensic Medicine and Toxicology Dr. Ummey Honey Israt Asst. Prof. Dept. of Pharmacology and Therapeutics
04.11.2023	Effective Conduction of Journal Club	Dr. Gulshan Akhter Associate Professor Department of Paediatrics
02-12-23 Saturday	Summarization of activities of Medical Education Unit in 2023	Dr. Tanim Sharmin Associate Professor and Member Secretary, MEU

In addition of conducting monthly CME, recently MEU has arranged a certificate giving ceremony of the trainee and resource persons of 'Teaching Methodology and Assessment Training Program' on 5th September 2023. This training program was conducted under the supervision of Center for Medical Education and guided by focal person Prof. Dr. Qazi Raqibul Islam, Professor & Head, Department of Paediatrics.

Celebrating achievement: Certificate Award Ceremony for Teaching Methodology Training.

Teaching Methodology Certificate Ceremony

Delivering lectures in training programme

Continued Medical Education (CME)

The different departments of the medical college that offer Continuing Medical Education (CME) sessions is to improve the knowledge of students, interns, and faculty members. The committee is chaired by Prof. Dr. Md. Manjur Alam and Prof. Lima Shampa is the Member Secretary.

Every Wednesday, there is a central CME that involves all the departments. Besides, each department has its own CME sessions that they arrange independently. Sometimes, there are special CME events that focus on specific topics, such as how to prevent Dengue, how to treat hepatitis B, and how to manage diabetes during Ramadan etc. These events are held during Health Days and other relevant occasions.

There is a CME committee that takes the responsibility to coordinate all these activities.

List of CME

Date	Topic	Presenter
04.01.2023	Hypersensitivity of teeth	Dr. Shahnaz Sultana Beauty Assoc. Prof. and Head Dept. of Dentistry
11.01.2023	Hair Fall	Prof. Dr. Md Asifuzzaman Prof. & Head, Dept. of Dermatology & Venerology
18.01.2023	Medical Ethics	Dr. Nur-E-Shirin Lecturer Dept of Forensic Medicine & Toxicology
25.01.2023	A young lady presented with difficulty in walking	Dr. Ryhani Auroni Dr. Shurav Sarker Dr. Fahim Al Johar Interns Dept of Orthopedic Surgery
01.02.2023	Current Dengue situation and prevention	Dr. Abdull Hel Baki Lecturer Dept. of Microbiology
08.02.2023	Queen of the Face- The Facial nerve	Dr Shaila Mahmud Assistant Professor Department of Anatomy
15.02.2023	Cases of malignant tumors: Immunohistochemistry (IHC) is crucial supplementary in resolving diagnostic dilemmas	Prof. Dr. Md. Rezaul Karim Dewan Professor and Head Dr Rumana Yasmin Assistant Professor Department of Pathology
13.03.2023	Diabetes: Ramadan guidelines and treatment patterns	Dr. Tanjina Hossain Associate Professor and Head, Dept. of Endocrinology and Metabolism
15.03.2023	A teenage girl with Abdominal Uterine Bleeding	Dr. Shorna Rahman Dr. Nabil Intern Dept. of Obstetrics and Gynecology
22.03.2023	Chemistry behind the ketogenic diet	Dr. Sanjeela Nahreen Chowdhury Associate Professor Dr. Aniq Tasnim Assistant Professor Dept. of Biochemistry

Date	Topic	Presenter
03.05.2023	Abdominal pain- still a mystery	Dr. Imtiaz Ahmad Register Department of Surgery
10.05.2023	SLE in pregnancy	Prof. Dr Rowsan Ara Professor Department of Medicine
17.05.2023	Physiology of Thyroid Hormones with some disorders	Dr. Washik Ahmed Lecturer Dept of Physiology
24.05.2023	Pharmacological Approach and Physicians' Attitude towards Different Settings of Pain	Dr. Rafzana Arifina Assistant Professor Dept of Pharmacology and Therapeutics
31.05.2023	Skin manifestations of systemic diseases	Dr Nashiat Nazrul Islam Register Dr. Samhita Proname Roy Medical officer Dept. of Dermatology & Venerology
07.06.2023	Approach to a child with Fever, Cough & Dyspnea.	Dr. Raisa Mukarrama Trinee medical officer Dept. of Paediatrics
14.06.2023	Bones, Stones and Groans: Management of Hypercalcemia.	Dr Tanjina Hossain Associate Professor and Head Dept. of Endocrinology and Metabolism
21.06.2023	Consultation-Liaison Psychiatry	Dr. Mst. Aklima Akther Seema Register Dept. of Psychiatry
05.07.2023	Simulation in Medical Education	Dr. Sayma Kamrun Assistant Professor Dept. of Community Medicine and Public Health
12.07.2023	Updated management of Chronic Hepatitis B infection	Dr, Tahmidul Haque Chowdhury Dr. Suhala Sheherin Intern Department of Medicine
19.07.2023	Traumatic Injury of Tooth in Conservative Dentistry & Endodontics	Dr. Shahnaz Sultana Beauty Associate Professor and Head Department of Dentistry
26.07.2023	Melioidosis: Unmasking the great mimicker	Dr. Nooriya Haque Lecturer Dept of Microbiology
02.08.2023	Medical Negligence	Dr. Nazlee Rahman Assistant Professor Dept of Forensic Medicine & Toxicology
09.08.2023	A 15 years old boy presented with recurrent swelling on left upper arm	Dr. Md. Ekramul Hossain Assistant Register Department of Orthopedic Surgery
16.08.2023	Hypertensive disorder of pregnancy and it's newer thoughts	Prof. Dr. Salma Rouf Professor and Head Dept of Obstetrics and Gynecology

Date	Topic	Presenter
23.08.2023	Evaluation of deaf or hearing-impaired child and its management.	Dr. Mohammad Rezaul Karim Registrar Dept of Otolaryngology and Head-Neck surgery
30.08.2023	An 8 years old boy with muscle weakness: An outline of muscle diseases and muscle biopsy as a diagnostic tool	Dr Nusrat Farzana Dr Amanna Huq Aurgha Lecturer Department of Pathology
13.09.2023	PowerPoint presentation: The Do's and the Don'ts	Dr. Rifayet Rahman Associate Professor and Head Dept of Pharmacology
20.09.2023	Cranial Nerves having Parasympathetic Components	Dr. Mousomi Tahmina Lecturer Department of Anatomy
04.10.2023	Physiology of Micturition with some abnormalities	Dr. Washik Ahmed lecturer Dept of Physiology
11.10.2023	Mental health is a universal human right	Prof. Dr. Nurun Nahar Chowdhury Professor and Head Dept of Psychiatry
18.10.2023	Let there be light	Dr Samhita Sharma Puja Medial officer Dept of Ophthalmology
08.11.2023	Are we ready to save a life!	Dr. Ambia Afza Register Department of Anaesthesia
15.11.2023	Diabetes Complications -know your risk	Dr Tanjina Hossain Associate Professor and Head, Dept. of Endocrinology and Metabolism
22.11.2023	Celebrating World Prematurity Day 2023	Dr. Mahedi Hasan Dr. Siffat Sabrina Shaily Intern Dept. of Paediatrics
13.12.2023	LASER in Dermatology	Prof. Dr. Md Asifuzzaman Prof. & Head, Dr Nashiat Nazrul Islam Register Dr. Samhita Proname Roy Medical officer Dept. of Dermatology & Venerology
20.12.2023	Journey of a 55 year old lady with jaundice from Bogura to Dhaka	Dr Abdullah Al Noyem Assistant Register Dept. of Surgery
27.12.2023	Metabolic Dysfunction Associated Fatty Liver Disease	Dr Ahsan Kabir Dr. Jannatul Ferdous Intern Dept. of Medicine

Research Cell

The Research Cell was established in 2018 in Green Life Medical College to promote, monitor and address research activities, to nurture research culture in the teachers and encourage them to have rational approach in their activities. The COVID pandemic temporarily put a stop to its activities, but in September 2021, Research Cell again started its journey in full swing. The current committee is chaired by Prof. Dr. Humaira Naushaba and Dr. Shamima Choudhury is the Member Secretary.

Activities of Research Cell:

1. Research Cell has arranged a Poster Presentation program for the first time on 22nd May 2023 which was a new initiative and was a competitive approach for the development of teachers. Eleven (11) abstracts of Original Research Work were presented by different faculty members. The participants were awarded certificates on behalf of Research Cell.

List of topics with presenters:

Sl. No.	Topic	Presenter
01	Conversion Disorder: Dilemma Of Cases	Prof. Dr. Nurun Nahar Chowdhury Professor & Head Dept. of Psychiatry
02	Fasting Lipid Profile in Chronic Renal Failure Patients Treated with Peritoneal Dialysis	Prof. Dr. Azmeri Alam Professor Department of Biochemistry
03	A Study Among Chemical Suicidal Victim: Situation Analysis	Assoc. Prof. Dr. Sanjida Akhter Associate Professor and Head Dept. of Forensic Medicine and Toxicology
04.	Risk Factors, Clinical Presentation and Parental Perception on Use of Antimicrobial Therapy for ARI in Under 5 Children	Dr. Gulshan Akhtar Associate Professor Dept. of Pediatrics
05.	The Detection of Single Nucleotide Polymorphism (SNP) rs732609 on TPO Gene in Hypothyroidism Affected Patients in Bangladeshi Population	Dr. Sanjeela Nahreen Chowdhury Associate Professor Dept. of Biochemistry
06.	Study of Sexual Dimorphism by Estimation of Length, Width and Height of Left Talus	Dr. Shaila Mahmud Assistant Professor Dept. of Anatomy
07	Frequency of Ocular Manifestations in Systemic Lupus Erythematosus Patients in a Tertiary Care Hospital	Dr. Mafruha Afrin Assistant Professor Department of Ophthalmology
08	Histomorphological Pattern of Vocal Cord Lesions in a Tertiary Care Hospital	Dr. Naila Awal Assistant Professor Department of Pathology
09	Application of Validated Tools to Evaluate Patients' Satisfaction Level in Different Acute Pain Management Setting	Dr. Rafzana Arifina Assistant Professor Department of Pharmacology and Therapeutics
10	The Psychological Impact of the COVID-19 Pandemic on the Students of Green Life Medical College-A Cross Sectional Study	Dr. Sharmin Zaman Khan Assistant Professor (CC) Department of Community Medicine and Public Health
11	Depression, Anxiety and Stress Status among Medical Students	Dr. Partha Sarathi Podder Lecturer Department of Community Medicine and Public Health

2. Research Cell is also conducting CME presentations on the 2nd Monday of a month (at an interval of every three months) for the promotion of research.

List of CME presentation of 2023 on behalf of Research Cell:

Sl. No.	Topic	Presenter
01.	Literature Review	Dr. Ishrat Jabeen Assistant Professor Department of Medicine
02.	Methodology in Research	Dr. Shamima Choudhury Assistant Professor Department of Community Medicine and Public Health
03.	Research Methodology: Results	Dr. Sheela Khan Associate Professor and Head (Acting) Department of Community Medicine and Public Health
04.	Writing The "Discussion" Section in a Thesis	Prof. Dr. Abdullah Al Tarique Professor Department of Surgery

3. Research Cell has arranged seven (7) general meetings in the year 2023.

4. Research Cell as its continuing activity is also planning to arrange a Workshop on Research Methodology in 2024.

Spotlight on Innovation: The Poster Presentation Ceremony

Unveiling Knowledge: Poster Presentation Inauguration by honorable Principal sir

Exchange of Ideas: The Poster Presentation

The Reward of Hard Work: Certificate Award for Poster Presentation

Integrated Teaching

A New Era in Medical Education

Green Life Medical College uses an integrated teaching approach which has been started from 2022 (New curriculum-2021) . This approach connects different subjects and gives a broader perspective of the medical field. Our integrated curriculum is designed to be both repetitive and progressive, enhancing the connections between disciplines and improving the retention of knowledge and development of clinical skills. The adoption of this approach reflects the college's commitment to prepare future physicians for the complexities of 21st-century medicine.

Intern Induction

Bridging Theory and Practice: The Internship Chronicles

In 2023, Green Life Medical College had a wonderful intern induction program and oath-taking ceremony for the fresh graduates. It was a great opportunity for them to step into the professional world with confidence and contribute to the medical field. Green Life Medical College has always been committed to providing “Excellent Health Education” and we are sure that these interns will uphold the esteemed reputation of the college.

Green Life Students Excels at National Medical Debate & Cultural Festival

Green Life Medical College students participated in the Unimed Unihealth 8th NDF BD-ShSMC National Medical Debate & Cultural Festival 2023 and won prizes for solo dance and English public speaking. The festival was held from March 23 to March 25 at Shaheed Suhrawardy Medical College in Dhaka. It was a prestigious event that attracted more than 500 participants from 32 medical colleges across the country.

Green Life students showed their talents and skills in different categories and impressed the judges and audience with their performances. Chandreyee Das (GMC- 12) bagged the third prize in the solo dance (modern) contest with her graceful and energetic performance to a popular song, beating 25 other medical colleges. In the English public speaking competition, Tanisha Ahmed (GMC-11) achieved the third prize with her articulate and convincing speech on “Behind the Operation Theatre”. She outperformed 20 other medical colleges from all over Bangladesh in this category.

They have proved that Green Life students are not only excellent in academics, but also in extracurricular activities. They have set an example for others to follow and inspire. They have truly lived up to the motto of Green Life: “Excellence in Health Education”.

A Day of Remembrance:

Celebrating Bangabandhu Sheikh Mujibur Rahman's Birth Anniversary Central

The commemoration of the birth anniversary of the nation's father, Bangabandhu Sheikh Mujibur Rahman took place with appropriate honor on March 17, 2023. The event began with the raising of the national flag at sunrise and the presentation of flowers to Bangabandhu's portrait. This was followed by a discussion about the life and deeds of the nation's father, Bangabandhu Sheikh Mujibur Rahman, led by esteemed members of the Governing body and academic staffs. The event concluded with a voluntary blood donation drive.

A Tribute to Our Freedom Fighters

Honoring Independence at Green Life Medical College

We celebrated the 52nd anniversary of our nation's independence with great enthusiasm and patriotism at Green Life Medical College. Students, faculties, and staffs gathered to honor our nation's freedom, reflecting on sacrifices made and celebrating the sovereignty we cherish. A series of cultural performances and speeches highlighted the significance of our independence, reminding us of the sacrifices made by our forefathers.

Celebrating the Spirit of Freedom in Green Life Medical College

Celebration of World Lupus Day 2023

A Day of Hope and Awareness

World Lupus Day was celebrated on 10 May by the Department of Medicine. It included a CME on “Systemic Lupus Erythematosus and pregnancy” and followed by a colorful Rally to raise awareness among the doctors and the community. There was a patient education session during afternoon where Lupus Foundation of Bangladesh and many patients were present to celebrate the day.

National Mourning Day 2023

Reflection and Remembrance at Green Life Medical College

On August 15, 2023, Green Life Medical College celebrated the National Mourning Day and the death anniversary of the nation's father, Bangabandhu Sheikh Mujibur Rahman. The day began with the national flag being hoisted at half-mast. This was followed by a discussion about Bangabandhu's life, his contributions, his achievements, and the sacrifices of all the martyrs of the day. Subsequently, a free medical camp was set up at the outpatient department of Green Life Medical College Hospital.

Green Life Medical College pays homage to the father of the Nation in National Mourning Day

World Diabetes Day 2023

Awareness and Action at Green Life Medical College

World Diabetes Day 2023 was observed by the Department of Endocrinology on 14th November 2023 by free diabetes screening, neuropathy screening, free health checkup and free consultation in Green Life Medical College compound. The programme was inaugurated by Honorable Principal, Managing Director and Chairman, Hospital. Around 400 people were screened, and 75 patients were served. On 15th November a special CME was arranged with title “Complications of Diabetes: An update” during observation of the day. The Keynote speaker was Dr Tanjina Hossain, Associate Professor, Endocrinology and chaired by National Professor Dr. Shahla Khatun.

Raising awareness and action for diabetes at Green Life Medical College

Picnic Diaries 2023

Unforgettable Moments of Green Life Medical College

The Green Life Medical College Picnic of 2023 was a remarkable event that will be remembered for years to come. It provided a much-needed respite from the demanding academic schedules, allowing students, faculties, and staffs to come together and enjoy the day in a fun and relaxed atmosphere. Looking back at the 2023 picnic, we are reminded of the strong bonds we created, the unforgettable memories we made, and the joy we experienced. It was more than just a day off from college; it was a day that celebrated the unity and shared commitment of everyone to learn and grow together.

Moments of Joy and Enthusiasm

Echoes of Victory:

Celebrating the Spirit of Freedom at Green Life Medical College

With a spirit of nationalism and pride, Green Life Medical College celebrated the 52nd Victory day of Bangladesh's on 16th December 2023. The day began with a flag-hoisting ceremony, a seminar on the role of medical professionals in the war, and a cultural show. The college premises were adorned with green and red, reflecting the colors of the Bangladeshi flag. The students and faculty members joined the celebration with fervor and gratitude, and remembered the sacrifices and bravery of the martyrs and freedom fighters who gave their lives for the country. The celebration reflected the college's commitment to uphold the spirit of independence, and to serve the people with excellence and compassion.
