Chairman, Governing Body
Green Life Medical College

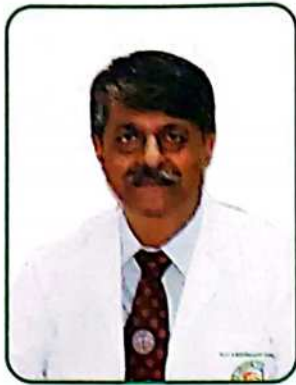

It is my immense pleasure that Green Life Medical College is going to publish the year book 2022. As we all know that Green Life Medical College, since its journey from 2009 with the commitment to produce medical graduates with sound knowledge, excellent skill and good attitude, has earned fame and good will and became one of the well-known and prestigious medical institute of the country. The students of this institute have already achieved success and goals in home and abroad, with contributing to the country's health sector confidently. It has been possible through academic environment, different activities and loving contributions of our faculties and staffs.

In medical education high level of morality, ethics and empathy need to be learnt to become a good physician and human being. The effort of the institute in this aim is well reflected throughout the year long in various activities. Along with the academic activities we also try to involve our students in different social and cultural activities, to participate in various competitions through which they experience how to plan, organize and work hard together to achieve certain goals. Not only students, our faculties are also involved in ongoing academic and research activities, trainings and workshops in order to improve their quality and skills continually. All these things are reflected in annual report or year book.

My sincere thanks to the Annual Report Committee and all editorial board members for their utmost efforts to bring out this year book 2022. Special thanks to The Principal for being the true inspiration and motivating all teachers, staffs and students throughout the year. I hope one can realize the effort and journey of the institute to serve and shape a bright future for the society and the nation through this year book.

National Professor Shahla Khatun

MBBS, MRCOG (London), FRCOG (London), FCPS (Bangladesh & Pakistan)
Chairman, Governing Body, Green Life Medical College

Message

Principal

Green Life Medical College

Green Life Medical College is releasing Year Book every year that reflects all our activities, thoughts, efforts and memoirs of precious moments of the Institute in the previous year. A year book is the mirror of the institute which inspires our students, faculties and staffs to walk forward next.

This is our happiness that the institute is running very nicely and smoothly throughout the year with regular classes, examinations and bunch of extracurricular activities. The students and teachers showed their excellent remarks in various academic and extra academic fields. Many different committee and cells like research cell, CME committee, Journal Committee etc have done year-round activities to improve the quality of faculties, students and interns. Our students continued to perform well in professional examinations as before. I extend my sincere gratitude to all faculties and staffs who worked hard for this success. I am indebted to the Governing Body members who were always with us to support our initiatives and generously provided assistance and guidance.

Lastly, I thank The Annual Report Committee for this regular publication.

Professor Dr. A.B.M. Bayezid Hossain
MBBS, FCPS (Surgery)
Principal, Green Life Medical College

Message

Director, Medical College Affairs
Green Life Medical College

I am glad that Green Life Medical College Year book 2022 is going to be released which is compiled with all the academic and departmental activities, thoughts and moments past in the year. The year 2022 was a challenging year for both students and teachers, and we could overcome the period of pandemic successfully. I express my gratitude to all for this wonderful effort.

There is no short cut road or special ladder to the path of development and success. Those who make a good use of time and energy, they succeed, but others often cannot flourish their dreams. But we should remember that life is full of mistakes and failures, but this is not the end of determination. Everybody should learn from mistakes and equip with necessary knowledge and wisdom. Thus, the documentation of past helps us to learn those mistakes and shortcomings. That's why publishing Year book or Annual Report is necessary to get a narrative of the past year. I would like to thank and acknowledge the editorial board, faculties and staffs for contribution and support in the progress of the book. I hope the book will create a positive energy in the journey of the institute.

Professor Dr. Abu Shafi Ahmed Amin
MBBS, DLO
Director, Medical College Affairs
Green Life Medical College

Chairman

Green Life Medical College Hospital

Mahatma Gandhi once said, "The future depends on what you do today." We are always learning from the present. For last two years, the mankind faced a real difficult time-the COVID 19 pandemic. The existence of mankind became a real challenge. In this hard time, we learnt that togetherness is the key to success and achievement. With the blessing of Almighty Allah, we could overcome the situation and started a new journey in a new world. My sincere gratitude to all the institute workers who worked hard and gave their best effort during this hard time. I am glad that their contributions are being documented in the form of Annual Report, which will guide us in future. I extend my heartfelt thanks to all supportive management, caring teachers, co-operative guardians, hard working students and all of our well-wishers.

Wish you a better world and excellent future ahead.

Professor Dr. Shamsuddin Ahmed

MBBS, FCPS (Pak), FCPS (Bangladesh), FRCS (Glasgow),

Member, Governing Body, Green Life Medical College

Message
Managing Director
Green Life Medical College Hospital

"Great dreams of great dreamers are always transcended." This was the saying of APJ Abdul Kalam, aerospace scientist and the 11th president of India. This philosophical view implies the development of a youth, who will not only fulfill our dreams but also continue to dream further.

With the heart full of dreams to educate and develop good physicians and good citizens, Green Life Medical College was established twelve years back. That seed of dream now yields a huge tree full of fruits. We are now proud of the institute for significant contribution rendering to the society and nation. Our ex-students are serving the country in many places and also has put their successful footprint abroad. I congratulate the students on their hard work which enables them to have academic success. May you have a good heart for the people, particularly the underserved, underrepresented and neglected ones.

I am aware that the faculties and the administrative staffs are carrying out the caring responsibilities to groom and ground the students for becoming a useful citizen of the country. The parents and others who come in touch with the institute are also acknowledged. I hope that today's youth will build a better world where justice, skill and moral values will prevail. Thus, our dreams will be transcended through generations.

I wish this year book 2022 will encourage the authority, faculties, staffs and students for a better effort and dream for future. It will also help to enable to handle shortcomings properly. I wish all success for all of you.

A handwritten signature in black ink, appearing to read 'Dr. Md. Mainul Ahasan'. The signature is stylized with a large loop at the beginning and a long horizontal stroke extending to the right.

Dr. Md. Mainul Ahasan
Managing Director
Green Life Medical College Hospital
Member, Governing Body, Green Life Medical College

Brief History of Green Life Medical College

Green Life Medical Hospital started its journey in 2005 with 500 beds in the center of the capital city, Bangladesh. The Medical College came into existence in 2009 with 51 students in the 1st batch in 2010.

Soon after being established, the college went tremendous development and became a splendid center for learning and development in medical education.

At present we are enrolling 115 students each year. Among them, number of seats are reserved for overseas students.

Affiliations

The College is approved by Ministry of Health and Family Welfare (MHFW), Government of Bangladesh.

Degree is recognized by Bangladesh Medical and Dental Council (BMDC).

Affiliated by University of Dhaka.

Post-graduation Honorary Training is accredited by Bangladesh College of Physicians and Surgeons (BCPS).

Enlisted in World Directory of Medical School and Educational Commission of Foreign Medical Graduates (ECFMG).

Listed under Avicenna Directory, World Federation for Medical Education (WFME) and the Foundation for Advancement of International Medical Education and Research (FAIMER).

Academic Building

A 15-storied academic building (Floor space-1,65,379 square ft) having central air condition facility .

In the academic building, the activity of all departments has expanded. GMCH has all the departments with efficient and adequate teaching staffs, spacious classrooms, lecture halls, dissection hall, museums, laboratories, teaching OT and well equipped library with internet facility.

Academic Faculty Members

112 Full time members Distinguished body of Academics with proven teaching and research excellence.

Medical Education Unit (MEU)

From establishment of Green Life Medical College, the Medical Education Unit is conducting different CME and workshop to upgrade the faculty members. Due to Covid pandemic there was a temporary disruption of activities and MEU again resume the routine activities from September 2021. The newly formed committee is chaired by Prof. Dr. Salma Rouf and Dr. Tanima Sharmin is the member secretary.

Till date regular monthly CME has been conducted on 1st Saturday of every month to develop the education & teaching skill of the faculty members.

In addition to conduct monthly CME, MEU is planning to conduct workshop on different module and publish a synopsis on the topics presented in CME in the coming year.

Sl. No.	Date & Day	Topic	Participating Departments	Presented by
1.	01.01.2022 Saturday	Effective Teaching and learning i) interactive lecture. ii) Small group teaching	1. Anatomy 2. Ophthalmology	1. Dr. Shaila Mahmud Assistant Professor (CC) 2. Dr. Mafruha Afrin Assistant Professor
2.	05.02.2022 Saturday	Assessment System-1 i) Assessment system in undergraduate Medical Education-An overview ii) Construction of written questions-SAQs for Undergraduate MBBS course	1. Community Medicine 2. Dermatology	1. Dr. Ehsamul Azim Professor (current charge) and Head 2. Dr. Nashiat Nazrul Islam Assistant Professor
3.	05.03.2022 Saturday	Assessment System-2 i) Introduction of assessment ii) Construction of MCQs and SBA for Undergraduate course	1. Gynae & Obst. 2. Pharmacology	1. Dr. Lima Shampa Associate Professor 2. Dr. Rafzana Arifina Assistant Professor
4.	02.04.2022 Saturday	Assessment System-3 i) SOE- why we convert traditional oral examination to SOE? ii) Construction of SOE	1. Medicine 2. Biochemistry	1. Dr. Rashedul Hassan Kanak Assistant Professor 2. Dr. Anika Tasnim Assistant Professor
5.	07.05.2022 Saturday	Integrated Teaching i) Integration of basic science with early clinical contact- International perspective ii) Feasibility and prospect of integrated teaching in our country	1. Pathology 2. Surgery	1. Dr Naila Awal Assistant Professor 2. Dr Samia Shihab Uddin Assistant Professor

6.	06.08.2022 Saturday	New Approaches In Medical Education i) Community oriented medical education ii) Evidence based and Task based learning	1. Microbiology 2. E.N.T	1. Dr. Abdulla Hel Baki Lecturer 2. Dr. Fazle Elahi Jonaed Registrar
7.	03.09.2022	New Approaches In Medical Education-e-learning i) E-learning and use of computer ii) E-learning set-up	1. Orthopedic Surgery 2. Anesthesiology	1. Dr. Zubayer Ashraf Assistant Professor 2. Dr. Md. Saiful Islam Assistant Professor
8.	01.10.2022 Saturday	Arranging seminar, symposium, workshop & conference for faculty development	1. Dentistry	1. Dr. Shahnaz Sultana Beauty Associate Professor & Head
9.	05.11.2022 Saturday	Communication and it's global standard	1. Forensic Medicine	1. Dr. Shanaz Azmere Lecturer
10.	03.12.2022 Saturday	Summarization of activities of Medical Education Unit in 2021-2022 and planning for 2023	1. Medical Education Unit	1. Dr. Tanima Sharmin Member Secretary, MEU

In addition of conducting monthly CME, recently MEU has conducted workshop on "Teaching Methodology and Assessment" under supervision of center for medical education and guided by focal person Prof. Qazi Raqibul Islam, Professor & Head, Paediatrics. The workshop was done in two phases in January and September 2022.

Continued Medical Education (CME)

Different departments of the medical college regularly arrange CMEs for further development of knowledge among students, interns and faculties.

A central CME involving all the departments regularly takes place every week on Wednesday. The activity was continued even during pandemic on virtual platform.

Besides this, individual department arranged CME by themselves. Sometimes special CME are arranged for special events and interests, eg; COVID19 management, Dengue, on the occasion of Health days and events.

There is a CME committee that takes the responsibility to coordinate all these activities.

List of CME in 2022

Date	Topics	Department
06/01/2022	Pharmacological Approaches for COVID 19 Pandemic a high speed journey. Where are we?	Dr. Rafzana Afrina Department of Pharmacology
12/01/2022	ENT Manifestation of COVID-19	Dr. Department of ENT
19/01/2022	Overview of Medicolegal Autopsy in the Context of Bangladesh	Dr. Md. Samiur Rahman Department of Forensic Medicine
26/01/2022	Enhanced Recovery After Surgery	Dr. Md. Saiful Islam Department of Anaesthesiology
02/02/2022	Neonatal sepsis due to non-albicans candida species – An emerging clinical entity: first report from Bangladesh	Dr. Rafia Afreen Jalil Department of Microbiology
09/02/2022	Osteochondritis dissecans: a diagnosis not to be miss	Dr. Zubayer Ashraf Department of Orthopaedic Surgery

16/02/2022	Pathology & Glomerular Diseases of Direct Immunofluorescence (DIF) As Advanced Diagnostic Technique	Dr. Rumana Yeasmin Department of Pathology
23/02/2022	Covid-19 Treatment Guidelines – What's New?	Dr. Ishrat Jabeen & Dr. Mahbuba Shabnam Department of Medicine
02/03/2022	Gastric Symptoms: A Diagnostic Dilemma	Dr. Rannia Sheshrish & Dr. Muhtasin Ananda, Intern Doctor Department of Surgery
09/03/2022	Cervical/Genital TB	Dr. Elora Yasmin & Dr. Saima Yesmin Eva Department of Gynae & Obst.
16/03/2022	Distressing Hirsutism	Dr. Tanjina Hossain Department of Endocrinology
23/03/2022	Climate Change & Health	Dr. Farhana Karim Department of Community Medicine
30/03/2022	Assessing Glomerular Function	Dr. Sanjeela Nahreen Chowdhury & Dr. Anika Tasnim Department of Biochemistry
11/05/2022	Systemic Lupus Erythematosus	Dr. Department of Medicine
18/05/2022	ODONTOGENIC PAIN	Dr. Shahnaz Sultana Beauty Head Department of Dentistry
25/05/2022	Thalassemia: Prevention is the Goal, But a Big Challenge in Bangladesh	Dr. Gulshan Akhtar Department of Paediatrics
01/06/2022	A Teen age girl with amenorrhea	Dr. Rifat Sultana Department of Obst. & Gynae

08/06/2022	Mental Health on Today's World "Challenges & Prevention Strategies"	Prof. Dr. Nurun Nahar Chowdhury Department of Psychiatry
22/06/2022	Development of heart and its congenital anomalies	Dr. Suriya Jabin Department of Anatomy
29/06/2022	Physiology of lactation	Dr. Sabrina Nahin Department of Physiology
06/07/2022	Postponed	
12/07/2022	Postponed	
20/07/2022	Postponed	
27/07/2022	Adolescent health: A challenging and burning issue, nowadays	Dr. Sharmin Zaman Khan Department of Community Medicine
03/08/2022	Devil's Breath World's Scariest Drug: Myth or Fact	Dr. Rifayet Rahman Department of Pharmacology
10/08/2022	Painful hip in a young lady	Dr. Zubayer Ashraf Department of Orthopaedics Surgery
17/08/2022	Day case Anaesthesia	Dr. Ambia Afza Department of Anaesthesiology
24/08/2022	Roadmap for implementing Antimicrobial Stewardship Program (ASP)	Dr. Nigha Zannat Dola Department of Microbiology
31/08/2022	Management of hyperglycemia in hospitalized patient	Dr. Tanjina Hossain Department of Endocrinology
07/09/2022	Anatomy of the liver & beyond	Dr. Zeenat Hasan Tonuka Department of Anatomy
14/09/2022	Common ENT Emergency	Dr. Pinaki & Dr. Maria Rahman Department of ENT
21/09/2022	Pre-analytical Errors & its Prevention	Dr. Azmeri Alam Department of Biochemistry

28/09/2022	Stormy Journey of a Pregnant Women	Dr. Shapla, Dr. Sara Department of Gynaecology & Obstetrics
12/10/2022	Hanging: A method of Suicide	Dr. Nazlee Rahman Department of Forensic Medicine
19/10/2022	A 50yr old lady with a breast lump	Dr. Samira Jolil Tonni Department of Surgery
26/10/2022	Cytogenetic Disorders: Pathologic and Roadmap for Diagnosis	Prof. Dr. Rezaul Karim Head of Department Pathology
02/11/2022	Updated Management of Asthma	Dr. Mayesha Rahman Nuha Department of Medicine
09/11/2022	Haemostasis	Dr. Manika Das Department of Physiology
16/11/2022	Dental Caries Prevention of Management	Dr. Shahnaz Sultana Beauty Head Department of Dentistry
23/11/2022	Stress management for Medical Students	Dr. Hridi Mujtaba Lecturer Community Medicine
30/11/2022	Antimicrobials Resistance Containment in Bangladesh Opportunity and Challenges	Prof. Dr. Sanya Tahmin Jhora Head of Department Microbiology

Research Cell

Research Cell committee has completed another eventful year with various successful activities and continues to nurture research culture in the teachers and faculties by encouraging research. The current committee is chaired by Prof. Dr. Humaira Naushaba and the Member Secretary is Dr. Shamima Choudhury.

Activities of Research Cell (2022) are

- Three (3) days Research Workshop on Research Methodology was arranged for faculty members of Green Life Medical College which was held from 21st to 23rd August 2022.
- Research Cell organized three seminars/CMEs (at an interval of three months) and was presented by Research Cell members. The topics were
 - o How to write a Research Protocol
Speaker-Dr. Sheela Khan (16.05.2022)
 - o How to write Research Title, Research Question and Objectives
Speaker-Dr. Zeenatul Momena (19.08.2022)
 - o Variable, Conceptual Framework.
Speaker-Dr. Umme Honey Israt (14.11.2022)
- Seven (7) general meetings of Research Cell were arranged in the year 2022
- Research Cell is also planning to arrange a programme on Poster Presentation in the coming year.

Skill Development Centre

The intern doctors gain experience in different clinical skills in skill development centre arranged by different clinical departments regularly.

Winning The 3rd Position In Bangladesh Medical Olympiad 2022 Conducted By Planetary Health Academia And Platform

Green Life Medical College olympiad team, consisting of Simanta Modak (GMC 9), Sajid Rahman (GMC 9), Sadia Binte Selim (GMC 10), have secured 3rd position in the first ever Bangladesh Medical Olympiad conducted by Planetary Health Academia and Platform, competing against over 200 other teams from nearly all medical colleges in the country. We are proud and delighted that our prestigious medical college has been represented at a national level. We wish the contestants all the best for their future endeavours.

Celebration of Birth Anniversary of the Father of the Nation Bangabandhu Sheikh Mujibur Rahman

The birth anniversary of the father of the nation Bangabandhu Sheikh Mujibur Rahman and National Children's day was observed with due respect on 17th of March, 2022. Programme started with hoisting national flag at sun rise and giving flower to the photo of Bangabandhu, followed by a discussion of life and acts of the father of the nation Bangabandhu Sheikh Mujibur Rahman by respected members of the Governing body and academic faculties. Later a voluntary blood donation program was arranged.

World Lupus day celebration, 2022

World Lupus Day was celebrated on 10 May by the Department of Medicine. It included a CME on "Systemic Lupus Erythematosus" and followed by a colorful Rally to raise awareness among the doctors and the community.

Observing the National Mourning day, 2022

The national mourning day and the death anniversary of the father of the nation Bangabandhu Sheikh Mujibur Rahman was observed on 15th of August, 2022 with half hoisting the national flag in the morning followed by discussion on the life, contribution and achievement of Bangabandhu and all the martyrs of the day. Then a free medical camp was arranged at the premise of the outpatient department of Green Life Medical College hospital

World diabetes day celebration 2022

World Diabetes Day was observed by Department of Endocrinology on 14th November, 2022. It included Free Diabetes screening by Glucometer, free consultation, free neuropathy screening by biothesiometer and lifestyle advice throughout the day. An CME was also arranged on “Management approach in Type 2 DM” presented by Dr. Tanjina Hossain, Head of Endocrinology department and chaired by Prof. Dr. A.B.M Bayezid Hossain.
